Dear Mr Walker,

I am enclosing the menu card and photograph you so kindly lent us. We have made a block of the photograph and I am holding this in the hope that ^{at} an early opportunity you will give me a ring by phone so that we can discuss its possible use together with an item in the "Talk of the Times".

My apologies for the delay in getting this underway, and many thanks for your continued interest.

Yours sincerely,

Vincent Donnelly, Diary Editor.
